

MN RESIDENTIAL HEATING SYSTEM REBATE

TERMS AND CONDITIONS

EQUIPMENT

The qualifying equipment must be installed in a MINNESOTA home served with natural gas from CenterPoint Energy between January 1 and December 31, 2026.

Equipment must be new and listed on the current AHRI (Air Conditioning, Heating and Refrigeration Institute) or ENERGY STAR® website. See website ahridirectory.org or energystar.gov/products. The equipment cannot be used, refurbished, or installed under warranty replacement.

CenterPoint Energy reserves the right to inspect the installed equipment.

Rebate	Type of installation	Type of natural gas heating system	AFUE rating on current AHRI or ENERGY STAR website
\$1,000	Residential Replacement	Forced-air furnace or single package vertical unit	97% AFUE or higher
\$400	Residential Replacement	Forced-air furnace or single package vertical unit	96-96.9% AFUE
\$200	Residential Replacement	Forced-air furnace or single package vertical unit	92-95.9% AFUE
\$400	Residential New Construction	Forced-air furnace or single package vertical unit	97% AFUE or higher
\$200	Residential New Construction	Forced-air furnace or single package vertical unit	96-96.6% AFUE
\$50	Residential New Construction	Forced-air furnace or single package vertical unit	92-95.9% AFUE
\$300	Residential Replacement	Boiler	85% AFUE or higher
\$500	Residential Replacement and New Construction	Condensing Boiler	91% AFUE or higher
\$1,000	Residential Replacement	Combination Unit	91% AFUE or higher
\$750	Residential New Construction	Combination Boiler	
\$1,000	Residential Replacement	Combination Unit	92% AFUE or higher
\$750	Residential New Construction	Forced-air furnace rated as a combination system (dealer online submission required for this product)	

PURCHASER/REBATE RECIPIENT

Residential New Construction

Building contractors should negotiate with home buyers to determine who will receive the rebate. If you are building a new home, you must obtain the dated sales invoice from the builder or retailer.

Rebate Notifications

Clearly enter your email address in the purchaser email address field if you would like to receive system generated email notifications about your rebate submission status.

Rebate Recipient

Dealers and retailers are not eligible to receive their customer's rebate.

APPLICATION

CenterPoint Energy Gas Account Number

Customers can obtain their gas account number from their monthly bill statement, or online at CenterPointEnergy.com/MyAccount. In addition, the gas account must be active for the installation address in order for the rebate to be processed.

Proof of Purchase and Installation - Attach to the completed application

Confirm that the dated sales invoice from the heating company to the purchaser includes the required information:

- The details of the heating system that was purchased, **including the brand, complete model number and heating company information**. The invoice must match the information on the application. A proposal or estimate are not acceptable forms for proof of purchase. Additional information may be requested from CenterPoint Energy.
- IMPORTANT:** Obtain a revised invoice if it does not contain all the required information.

Rebate Deadline

Completed application and proof of purchase and installation must be submitted by the program deadline of December 31st, 2026, for equipment installed in 2026. In addition, paper applications must be post-marked by the postal service by 12/31/26. We are unable to receive/process rebate requests for equipment installed prior to January 1, 2026.

PROCESSING

New Construction rebates are put on a 60 day hold prior to processing for High Efficiency Home program verification. If the home completed the High Efficiency Home program, no rebate will be paid.

CenterPoint Energy is not responsible if the dealer does not provide accurate information about the rebate amount or equipment eligibility. Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs can be cancelled or changed at any time.

REBATE

If all program requirements are met and the rebate is processed, the purchaser will receive a rebate check in the mail. Checks are mailed in an envelope from Houston, TX and expire 90 days from the date the check was issued. Please allow 8 weeks for rebate processing from the time that CenterPoint Energy receives the completed application. If you have not received a notification or payment after 10 weeks, you may email RebateCenter@CenterPointEnergy.com or call 612-399-1545.

MN RESIDENTIAL HEATING SYSTEM REBATE APPLICATION

Before you complete the rebate application

1. If the equipment was purchased and installed from a heating dealer, contact them to inquire if their company is submitting the rebate on your behalf, in our dealer-only online rebate forms.
2. Confirm that the invoice from the heating dealer has all the required information listed in the Proof of Purchase and Installation.
